

FRONDELLI

This isn't your Daddy's luxury car...it's BETTER!

CLASSIC OUTFIT

This is THE outfit...the one that has propelled pop music since the 1940's. The FRONDELLI CLASSIC is a faithful recreation of the lean & mean machine selected by drummers the world over from the classic eras of Big Band, Blues and Rock & Roll. From the crack of the 5" x 14" snare, to the rolling thunder of the 9" x 13" and 16" x 16" toms, all punctuated by the beefy 14" x 22" bass, it's all the serious drummer really needs to push the music machine into overdrive. If you are searching for the punchy sounds of yesterday, you need look no further than this timeless Classic.

Stands, pedals and cymbals not included. Bass drum cymbal mount available at extra charge. Standard included hardware is: rail consolette tom holder, folding spurs and floor tom legs.
